****Cells shaded in yellow:** MAP-21 legislation allows the states to re-designate the direct recipient of Section 5310 urbanized and small urban / rural funds. At this time, the Utah Department of Transportation Public Transit Team (PTT) does not anticipate administering the urbanized area funds. The PTT will not be accepting Letters of Intent (LOIs) for these funds; however, if an agency is interested in applying for these funds, they may contact Tim Boschert at tboschert@utah.gov or 801-870-4770.
